Children's SummerCamp

for girls and boys
from 8 -11 years old
16th - 19th July 2018
near Bernried
(Starnberger See)

Our Summer Camp is full of exciting and adventurous days in nature. We will experience Native American tribal life, play exciting games, try out archery, make fire also without matches, tell stories and sit together around the bonfire. To get to know native animals we will track them, build a survival shelter and make handcrafted and artistic objects (like arrows, felting and weaving with natural materials).

During this time we will discover nature with all our senses, sleep outdoors, go for a swim in the pond, stalk like foxes, get to know native American rituals and traditions and have many adventures together.

The intense time in nature also helps us to boost our confidence and develop a great community spirit.

The Waapiti-Camp is lead by:

Tatjana Falk (1969), Wilderness mentor, Family coach, long-term employment at a forest kindergarten, felter and basket weaver.

Momme T. Falk (1968), Wilderness mentor, Family coach, companion at vision quests, arborist, teacher at Wald-kindergarten Starnberg e.V.

We have two grown children and love to spend our time in nature. We host different wilderness courses and outdoor camps with children and adults, which we enjoy very much.

The bilingual (English and German) summer camp takes place near Bernried (Starnberger See).

With the confirmation of course registration you will receive more information and directions to the camp.

At the Waapiti Summer Camp 14 adventurous children are welcome.

Costs 210,- Euros (including accommodation in your own tent, materials and board). Siblings get a 25 Euro discount.

If the registration is cancelled after the 1st of July 2018 a registration fee of 50,- Euros is due.
